

A COMPLETE LABOUR SOLUTION FOR THE CONSTRUCTION INDUSTRY AT THE AIRPORT

WHO WE ARE

Lawmens Ltd is a privately owned company established in 1988. Our primary operations were based upon supplying quality labour operatives to interiors companies throughout London and the Home Counties.

We work for companies of all sizes from small sub-contractors to Main contractors throughout the interiors industry. After developing strong working relationships with over 850 clients we also developed a devoted team of operatives who carry out strip out projects of all sizes. We have now been carrying out these projects for our wide variety of clients for over 15 years ranging from small specified areas to whole buildings including offices, restaurants, shops, warehouses and hotels. Our long standing relationships with our clients have led us to understand the differing needs and requirements of each individual.

WHERE WE ARE

Our Head office is located in leafy Surrey and is responsible for all of our projects throughout London and the Home Counties. The office is fully manned, 6 days a week, to ensure our clients' needs are attended to at all times. With our main areas of operation being throughout London & the Home Counties we are ideally situated to cover, London City, Gatwick & Heathrow Airports. Please feel free to enquire about any projects and we will endeavour to accommodate any requirements you may have.

WHO WE WORK FOR

Our diverse network of clients include interior outfit companies, architects, facilities management Companies and Main Contractors including Morgan Lovell Plc, Area Square, Marco, Amalga, AAL and Airport Facilities (Gatwick) Ltd.

Lawmens Ltd Environmental Focus

Lawmens Ltd have obtained full ISO:14001 accreditation for environmental management and are strongly focused on minimising the effects their work has on the environment.

As a result we have introduced several measures to ensure both our on-site and off-site activities surpass current environmental requirements and we offer a range of benefits to our clients to ensure environmental aspects on each project are not only maintained but surpassed where possible.

The benefits of this accreditation to our clients are as follows:

- ✓ **ISO: 14001 accredited company with effective waste segregation policies**
- ✓ **24 Hour service to accommodate out of hours noisy works and loading restrictions**
- ✓ **Full Site Waste Management plan service providing all necessary paperwork and documentation with easy to follow instructions to ensure your site is fully compliant with the new SWMP regulations introduced in April 2008**

WHAT WE DO

Lawmens Ltd provide fully encompassing services for the interiors industry enabling our clients to make just one call to source anything from general labourers, working foremen to unloading teams & experienced tradesmen. We also offer a comprehensive service for all aspects of the Strip Out phase of works and tackle all scales of projects ranging from single room soft strip outs to full Category A, back to slab, strip out of a 1050 bedroom hotel.

All of our staff working at the airports are fully vetted with work history and references checked, prior to applying for their airside pass. This process involves a full criminal background check so that you can be assured that anyone supplied to you has been checked & verified to the highest levels.

For our complete range of services visit: www.lawmens.co.uk or call us on: **01932 868584**

GENERAL LABOURERS

We can supply labourers for both long and short term projects. Whether you require a labourer for a day, a week, a month or a year, we can supply you with an English speaking fully Health & Safety aware operative. These labourers can assist with general site duties such as tidying up, supervised demo works, and loading skips etc. All of our operatives have obtained or are enrolled in the CSCS site operative scheme and have full PPE.

SPECIALIST LOADING GANGS

Lawmens Ltd have a highly reputable name when it comes to unloading and distributing materials across London and the Home Counties. We have operatives who are vastly experienced in unloading and distributing delicate deliveries such as plasterboard, glass, flooring and finished products such as furniture or pre decorated boards. Our operatives are familiar with moving materials via the stairs, goods lift and hoist, and Lawmens Ltd will always survey a project and provide you with the most safe and effective method of distributing your deliveries on site.

WORKING FOREMEN

We have a number of experienced working foremen who have completed approved training in First Aid, Manual Handling, PASMA and abrasive wheels. These foremen can be used to supervise gangs of workers or specific individual projects, and are used by many of our clients to ensure they comply with Health & Safety and CDM regulations by having a qualified First Aider on site.

STRIP OUT & DEMOLITION SERVICES

Lawmens Ltd have carried out a wide range of strip out projects over the last 15 years including the strip out of partitions and ceilings in offices, mezzanine floors in warehouses, bedrooms in hotels, plant rooms, restaurants, shops and gyms. We cater for projects of all sizes and our site foreman and supervisors are fully First Aid qualified with training in Manual Handling, abrasive wheels and PASMA (erection of mobile scaffolds). The works we carry out are fully supported by method statements and risk assessments prior to all works commencing.

TRADES DIVISION

Lawmens Ltd only uses experienced tradesmen that have attained their CSCS scheme basic site skills & have full PPE. All of our foremen have approved training in First Aid, Manual Handling & PASMA (erecting and use of aluminium scaffolds and towers).

We can supply, for short term & long term projects, Labourers, Carpenters, Fixers, Joiners, Plasterers, bricklayers & a variety of other trades. Please feel free to contact us for further details.

With nearly 30 years work experience Lawmens are able to run any project, both large & small, from start to finish. Method Statements and Risk Assessments can be produced prior to commencement of any work

Health & Safety

Health & Safety is of the utmost importance to Lawmens Ltd, which is why all of our operatives have obtained their CSCS cards and are given regular toolbox talks and manual handling training by our qualified contracts managers.

We work closely with our Health & Safety consultants, M. E. L Consultants Ltd, and the OFI (Osteopaths for Industry Ltd) to ensure Health & Safety standards are conformed to and surpassed at all times.

PERSONNEL ESCORTING

With our staff having Full Landside & Airside passes Lawmens can provide Escorts for Temporary Passed Staff who require escorting on site whilst they carry out their duties at the airports.

Our escorts are experienced in airport matters and ensure that personnel are taken to & from their work locations via the most appropriate access route.

WASTE AWAY SERVICES

Lawmens can provide a number of solutions to our clients who require waste removed from the airports. We can supply Skips & Roll on/ Roll offs containers of various sizes (from 4yds to 40yds) as well as Industrial Waste Dust Cart Compactors.

We also provide our clients with a fully comprehensive waste report on completion of their projects which will detail the waste & quantities of each material removed. This information will include how much of our clients waste has been recycled or diverted from landfill allowing them to bid for & carry out projects that involve schemes such as BREEAM & SKA.

24 HOUR SERVICE

Lawmens Ltd understand that due to loading and noise restrictions some projects may have to be completed outside normal working hours. Thus the services we provide are available 24 hours a day, seven days a week.
